
Some of the lists are in two parts with one half being arranged alphabetically by author and the other alphabetically by title. This is due to them being combined from two separate lists and I hope that you can forgive such an anomaly at the current time.

Not all of these books are newly published, as will be clear. If this is the case, they have been added to the library as requests, replacements or to fill gaps in provision.

FICTION: Middle/Upper School/Adult

- The red ribbon, by Adlington, L. J.
